

Welcome to Samaritan Campus

Thank you for taking the time to consider us your future home.

Please call to set up a tour, or ask any questions you may have about our Skilled Nursing, Community Based Residential Facility or our Residential Care Apartment Complex.

Our campus is able to extend to you the privacy of your own room/apartment as well as a variety of services specifically developed to meet your individual needs. In addition, opportunities are plentiful to meet other residents while participating in a wide array of activities and social functions. We are confident that you will enjoy living here in a pleasant and helpful atmosphere.
