Data layer or any portion of data layer on CD - \$75

Data layer or any portion of data layer on DVD - \$200

Prices include shipping and taxes.

48 hour turnaround required

Payment must be received prior to data being shipped.

Fees are typically waived for federal, state, regional, and local governments. Fees can be waived for other entities at the discretion of the Department/Division manager if part of an arrangement providing direct benefit to Washington County.

Paper Maps – Copies

Exact/additional copies of a map produced to support statutory functions or ad-hoc initiatives of Washington County Departments (Examples: Shoreland Zoning map, Supervisor District Map).

\$3.00/linear foot

Prices include taxes, but do NOT include shipping

48 hour turnaround required

Payment must be received prior to map being shipped.

Custom Requests

Digital data that is not in the county's native format, projection or tiling scheme. Any map or other product that is not produced through statutory functions or ad-hoc initiatives of Washington County Departments.

All custom requests are filled as time permits and at the discretion of the Department/Division Manager.

Custom requests are charged the base data or media charge plus \$60/hour (minimum 1 hour). At the discretion of the Department/Division Manager, fees can be waived for federal, state, regional, and local governments and other entities if part of an arrangement providing direct benefit to Washington County.
