What is **VETransfer**?

Launched in March 2011, Veteran Entrepreneurial Transfer, Inc. is a 501(c)(3) non-profit Business Accelerator founded by Veterans and entrepreneurs to teach Veteran entrepreneurs how to become successful entrepreneurs. Doing business as VETransfer.org, we utilize approximately 14,000 business volunteers and mentors across the United States.

Vetpreneurs accepted into VETransfer.org will be part of a training program with the goal of launching their businesses and graduating from the accelerator. Each graduated company will receive continued mentoring and coaching from the VETransfer.org executive management team and our 14,000 national mentor network to ensure that their company stays on course to succeed.

How can they help **me**?

We provide professional mentoring and coaching skills to Vetpreneurs. We assist them in transferring military skills into private sector entrepreneurship. Our services include advising in the areas of:

- **EXECUTIVE MANAGEMENT**
- **MARKETING & SALES**
- **OPERATIONS & PROJECT MANAGEMENT**
