(5) (RR 15-28) It is the express policy of the County Board that committee appointments be distributed so as to prevent undue concentration of authority. To fulfill this policy, the Chairperson of the County Board shall appoint each supervisor to a minimum of one standing committee.

(6) (RR 15-28) In order to exercise maximum flexibility with regard to supervisory terms, compensation and vacancies, the Washington County Board of Supervisors hereby elects to self-organize as authorized by §59.10, Wis. Stats. **(Reaffirmed & Re-enacted 2/10/04 – 2003 Ordinance 37)**

(1) (RR 15-28) In the absence of the Chairperson, First Vice Chairperson and Second Vice Chairperson at any meeting of the County Board, the members present shall elect a Chairperson Pro Tempore whose office shall cease on the return of the Chairperson or either Vice Chairperson.

(2) (RR 15-28) Pursuant to the authority of §59.11(4), Wis. Stats., a call of the house may be ordered:

(a) When no quorum is present, if 1/5 of the members elect are present, they may, by a majority of the members present, order a call of the house and compel the attendance of absent members. After the call is ordered, a motion to adjourn, or to dispense with further proceedings in the call, cannot be entertained until a quorum is present, or until the Sergeants-at-Arms report that in their opinion no quorum can be obtained on that day.

(b) When a quorum is present, a call of the house takes precedence of everything except that a call of the house cannot be made after the voting on a question has commenced. When a quorum is present, a call of the house requires a majority vote of the members present for its adoption. After a call is ordered, no member shall be permitted to leave the room until further proceedings in the call are dispensed with and no motion is in order except to adjourn.

(3) (RR 15-28) Committees shall not, without special leave of the County Board, absent themselves for meetings during the sitting of the County Board.

(4) (RR 15-28) Any member not answering to the roll call of members present shall be marked present upon arrival unless a member shall raise an objection showing good cause. The Chairperson shall announce the presence of the member, which shall be noted in the minutes.

(5) (RR 15-28) Any member desiring to absent himself or herself from the balance of a County Board meeting at any time after the roll call of members present has been taken, must advise the County Clerk that he or she is leaving and the County Clerk shall enter such fact upon the proceedings of that meeting.

(6) (RR 15-28) All questions shall be put in this form: Those who are of the opinion (as the case may be) say "Aye," those of the contrary opinion say "No." In doubtful cases of a voice vote, the Chairperson or any member may call for a division of the County Board by a roll call vote or electronic voting. In all cases where the County Board is evenly divided, the question shall be lost. Unless otherwise provided in this section or by state statute, adoption of any questions shall require a majority vote of the members present, excepting those who have been excused from voting as provided in sub. (8) below.

(7) (RR 15-28) When a manual roll call vote is taken, all members present shall be required to vote in their alphabetical order. In calling the roll on any vote, the County Clerk shall rotate the alphabetical order so that the member voting first shall have his or her name called last on the next succeeding vote, and this sequential rotation shall be continued from meeting to meeting.

(8) (RR 15-28) On a roll call vote, every member present shall vote unless the County Board shall, by a majority vote of those present, for special cause, excuse him or her, except that a member shall not be excused from voting after the voting has commenced. A member has the right to change his or her vote up to the time the vote is finally announced by the Chairperson, and such member shall rise to get the floor in order to change his or her vote prior to the announcement of the vote by the Chairperson. Thereafter a member shall not be allowed to change his or her vote even by unanimous consent.

(9) (RR 15-28) (a) Transfers and appropriations authorized under §65.90(5)(a), Wis. Stats., requiring County Board approval shall be made upon the recommendation of the Executive Committee and by resolution adopted by a vote of 2/3 of the members-elect.

(b) Sub. (a) above does not apply to an appropriation which is irrevocable by law.

(c) Any issuance of tax anticipation notes under §67.12, Wis. Stats., shall require a vote of $\frac{3}{4}$ of the members-elect.

(d) The issuance of bonds upon the recommendation of Executive Committee, shall be subject to the requirements of §67.045, Wis. Stats. Where issued as authorized under §67.045(a), (b), (c), (d), or (e), a simple majority as provided in sub. (6) above shall be required. In all other circumstances, the resolution shall require a vote of at least $\frac{3}{4}$ of the members-elect.

(e) Additional employment positions shall require a vote of 2/3 of the members-elect.

(f) Transfer from the General Fund or amendments to the adopted Capital Improvement Budget shall be made upon the recommendation of the Executive Committee and by resolution adopted by a vote of 2/3 of members-elect.

(g) Adoption of the annual operating budget shall require a vote of 2/3 of members-elect.

(10) (RR 15-28) In all questions where a roll call vote has been requested or is required, the names of all members voting thereon shall be published in the proceedings of the County Board showing which members voted for and against the question.

(11) (RR 15-28) Following the adoption or defeat of any question, it shall, at any time on the same calendar day or at the next meeting of the County Board be in order for any member whose vote was prevailing, to move the reconsideration of said question. A motion for reconsideration brought at the next meeting must be properly noted on the County Board's agenda to comply with Wisconsin's Open Meeting Law or it will not be permitted. The motion to reconsider having been put and lost shall not be renewed.

(12) (RR 15-28) All resolutions, ordinances and petitions, (except petitions for rezoning) introduced by any member or by a committee shall be signed by such member or by the Chairperson of the committee introducing the same. Such signature indicates support for the introduction of the resolution, ordinance or petition only and does not constitute an endorsement. All resolutions, ordinances and petitions must be reviewed by the County Attorney for proper form and legality before being submitted to the County Board. All resolutions and ordinances must be reviewed by the County Board Chairperson before being submitted to the County Board. All resolutions and ordinances shall be read, upon request, by any member for a reading. All resolutions and ordinances carrying an appropriation shall be referred to the Finance Department for its recommendation. Resolutions and ordinances not introduced by a committee shall be referred to the proper committee before formal consideration by the County Board. The Chairperson of the committee or his designee introducing a resolution or ordinance or individual County Board Supervisor introducing a resolution or ordinance shall explain the intent and purpose of the resolution or ordinance after motion and second for consideration. Retirement commendations and memorial resolutions shall follow the procedures set forth at sec. 2.09.

(13) (RR 15-28) When a motion is made and seconded, it shall be stated by the Chairperson or County Clerk prior to debate. Any County Board member may require a motion, except to adjourn, postpone or commit, to be submitted in writing. Any motion may be withdrawn by consent of the County Board before a question concerning the amendment of such motion is considered.

(14) (RR 15-28) A motion to adjourn shall always be considered in order and is not debatable, provided however, that a motion to adjourn shall not be received when the County Board is voting on another question. A call for the previous question and a motion to lay on the table shall be decided without debate.

(15) (RR 15-28) Adjournment of the County Board sine die puts an end to all business unfinished at the close of the session. Such business may be introduced at the next session the same as if it had never been before the County Board. A motion to adjourn sine die will not normally be in order prior to the close of the final meeting of the session held in April immediately prior to the organizational meeting.

(16) (RR 15-28) No petition for the construction or repair of roads or bridges in Washington County shall be considered unless such petition shall be signed by a majority of the members of the town, village or city board where such construction or repair is to be done.

(17) (RR 15-28) Election Procedure. (a) The following procedure shall be used for the election of officers of the Board, the Executive Committee and all other elections conducted by the County Board. Under this procedure only one office shall be filled on one series of ballots.

1. Candidates may express interest by written or oral representation prior to election.

2. Nominations shall be by written ballot. All ballots, except those for the nomination and election of County Board Officers, shall be signed by the voting member. The 3 nominees receiving the highest number of votes on such nominating ballots shall be declared nominated and no other names shall be considered or recognized in such election as a candidate. In the event of a tie, nominees tied shall be declared nominated. If one nominee receives a majority of all votes cast in the nominating ballot, he or she shall be declared elected. However, all nominations are subject to the consent of the nominee.

3. If no nominee receives a majority of the votes cast in the nominating ballot, an election ballot shall be taken. If one of the 3 nominees receives a majority of the election ballots cast, he or she shall be declared elected.

4. In the event that no nominee receives a majority of the votes cast, a second election ballot shall be taken of the 2 candidates who receive the highest total number of votes cast in the first election ballot, and the candidate receiving the majority of the votes cast shall be declared elected. In case of a tie on the second election ballot, lots shall be drawn by the 2 candidates.

(b) Election of Executive Committee. The following election procedure shall be used for the election of the five members of the Executive Committee.

1. Five (5) seats on the Executive Committee shall be filled by electing the Chairperson of each of the five Standing Committees: Administrative, Health, Aging and Long Term Care, Human Services, Public Works and Public Safety.

2. The election of Standing Committee Chairpersons shall be conducted in random order. The County Clerk shall draw the name of the committee to be elected immediately prior to conducting the election for each committee's chairperson.

3. Candidates may be nominated by verbal declaration from the floor or written expression of interest. All nominations are subject to the consent of the nominee.

4. The Chairperson shall close nominations after inquiring three times whether there are any other candidates. Upon closing nominations, no other nominees will be accepted.

5. The Clerk shall announce the names of the nominees.

6. The Chairperson shall conduct the election as specified in (17)(a).

(c) Election of Second Vice Chairperson. The election of the Second Vice Chairperson shall be conducted in accordance with 2.06(17)(a). Only the five Standing Committee chairs elected pursuant to 2.06(17)(b) shall be eligible for Second Vice Chairperson on the County Board.

(18) (RR 15-28) When any member is about to speak in debate or deliver any matter to the County Board, he or she shall respectfully address himself or herself to the Chairperson and confine himself or herself to the question under debate and avoid personality. The Chairperson may limit the time allotted to any member, but shall give due consideration to the time available and the nature of the matter under discussion. Any time limitation shall be announced in advance, if possible.

(19) (RR 15-28) No member of the County Board shall be permitted to read newspapers or magazines within the bar of the County Board while the County Board is in session.

(20) (RR 15-28) Any member may ask for the privilege of the floor for a non-County Board member to address the County Board, and if no supervisor objects, the Chairperson shall grant the privilege to such non-County Board member. If a member objects, any County Board member may move that the privilege of the floor be granted and any member may second such motion. If the motion is adopted by a majority vote of the members present, the Chairperson shall grant the privilege of the floor to the non-County Board member and shall limit the time that such person can address the board. This procedure shall not apply to non-County Board members appearance scheduled as part of a meeting agenda. Non-County Board members desiring to appear before the Board, shall, where possible, submit a request in writing to the County Board Chairperson or County Clerk at least one week in advance of the meeting, to permit preparation of the agenda, notice to the public, and the orderly conduct of County Board meetings.

(21) (RR 15-28) Except as provided in Robert's Rules of Order, Newly Revised, any rule of order may be suspended by the County Board on motion duly made, seconded and carried by 2/3 of all votes cast. The motion to suspend the rules may be made at any time when no question is pending; or while a question is pending, provided it is for a purpose connected with that question.

(22) (RR 15-28) The rules of parliamentary procedure contained in Robert's Rules of Order, Newly Revised shall govern the County Board in all cases to which they are applicable, and in which they are not inconsistent with these Rules of Order or with the laws of the State of Wisconsin.

(23) (RR 15-28) It shall be unlawful to smoke or carry a lighted cigar, cigarette, pipe or electronic smoking device in any public meeting as defined by §19.82(2), Wis. Stats., by the Washington County Board or any committee thereof under sec. 4.37 of this Code. The Sergeants-at-Arms or committee Chairperson shall enforce this subsection and shall be authorized to remove any person who is in violation thereof and shall call upon the assistance of a Deputy Sheriff to eject such person from the meeting should that person refuse to comply.

(24) (RR 15-28) As more particularly directed by the Chairperson, attendance, voting, abstention and recognition of supervisors may be handled by an automated system. The Rules of Order shall apply to all electronic procedures, except where specifically provided in the subsection.
