

# Washington County Health Department Offers Car Seat Safety Checks

**You think your child is riding safely...  
But are you sure?**

Motor vehicle crashes kill more children than any other cause. Make sure your child is buckled up properly.

Children are less likely to be in the correct child safety seat as they get older and 73% of child safety seats are installed incorrectly. Certified Car Seat Technicians are available to check your car seats and provide education free of charge.

Are you a first time parent or grandparent?  
Our technicians can offer you hands on training  
for your car seat and walk you through the  
installation process

To make an appointment  
Please call 262-335-4742  
Our Car Seat Clinic is open  
8:30-3:30 every Thursday  
Washington County Health Department, West Bend
