PRESS RELEASE – 7/25/19

## PULVERIZING AND REPAVING OF COUNTY TRUNK HIGHWAY WW BEGINNING ON MONDAY, JULY 29TH

The Washington County Highway Department will be pulverizing and repaving County Trunk Highway (CTH) WW from CTH D in Kohlsville to State Highway 33. This is a 3-mile stretch of road in the towns of Addison and Wayne. Pulverizing of the road is scheduled to begin on Monday, July 29, 2019. The road will be closed to thru traffic but residents will be able to get to and from their homes as needed. The intersection of CTH WW and Beaver Dam Road will experience grading work after pulverization to improve sight distances and general safety and will require a full closure from Monday, July 29<sup>th</sup> until Friday, August 2<sup>nd</sup>. A detour route using CTH D, CTH W and State Highway 33 will be posted during the overall project. Please obey all traffic signage in the area. Payne & Dolan, Inc. has been contracted to do the pulverization and paving. Substantial completion of the project is anticipated by August 31, 2019 and is dependent on weather and other factors.

The Washington County Highway Department appreciates your patience and extra caution as we improve and maintain Washington County's roadways striving for effective mobility and reliable infrastructure. For more information, please visit [www.co.washington.wi.us/hwy](http://www.co.washington.wi.us/hwy) and click on "Road Construction & Projects" or call the Washington County Highway Department at 262-335-4435.
