

October 1993 - No. 23

<http://www.co.washington.wi.us/uploads/docs/lcd-news1993-23october.pdf>

In This Issue:	Page(s)
Land Conservation Department	
More Regulations in the Works	1
Last Chance for Watershed Sign-Up	1
Low Tech Water Pumps Work	2
Tree Program Gearing Up for Next Spring	2
Local Field Day Covers Well Water & Nutrient Mgt.	3
Conservation Easements Serve Many Purposes	3
Watershed Meeting Draws Large Response	4
Rental Agreements Can Protect Your Interests & Env.	4
County Program Helps Increase Use of No-Till	5
Conservation Tillage Cost Sharing Available	5
Terms of Conservation Tillage Purchase Agreement	5
Basics of Barnyard Runoff Control	6
Busy Busy Busy Staff	6
Finger Pointing Accomplishes Nothing	7
Lets Face Some Facts - Urban vs. Rural	7

June 1995 - No. 24

<http://www.co.washington.wi.us/uploads/docs/lcd-news1995-24june.pdf>

In This Issue:	Page(s)
Land Conservation Department	
Farm Progress Days are Near	1
Manure Management Rules Proposed	2
Landowners/Cities Team up for Cleaner Water	3
Informational Mtg. Set for Stormwater Mgt/Erosion Control	3
Conservation Plans Needed on Rented Land	4
1995 Tree Program a Success - Again!	5
Conservation Easements Help Preserve Stream Corridors	6
Watershed Program Emphasizes Nutrient Management	7

March 1997 - Vol. II Issue #1

<http://www.co.washington.wi.us/uploads/docs/lcd-news1997-1march.pdf>

In This Issue:	Page(s)
Land Conservation Department	
New Waterways Program Promotes Action	1
The Fuss At Big Cedar Lake	2-3
Workgroup Completes Model Ordinance	4
Milwaukee River Watershed Project Coming to a Close	4
County Installs Regional Stormwater Basin	5
The New & Improved CRP	6
County Tree Program	7
Use Caution When Using Pressure Treated Wood	7
Where In The County?	8
Water Quality Workshop	8

July 1997 - Vol. II Issue #2

<http://www.co.washington.wi.us/uploads/docs/lcd-news1997-2july.pdf>

In This Issue:	Page(s)
Land Conservation Department	
A New Approach to Monitoring Water Pollution	1-2
Concerns Voiced on Proposed Ordinance	2
More Trees Sold This Year Than Ever	2
Hats Off to Peters Starlite Farm	3
Fair Park Moves Ahead	4-5
Six Nutrient Managemet Plots Established	6
New CRP Increases Focus on Water	6
Breakfast on the Farm	7
Where In the County?	8

Winter 1997 - Vol. II Issue #3

<http://www.co.washington.wi.us/uploads/docs/lcd-news1997-3winter.pdf>

In This Issue:	Page(s)
Land Conservation Department	
Wisconsin Conservation Corps - Making a Difference	1-2
Gardeners Asked to Destroy Beautiful but Invasive Flower	2
Anxiously Awaiting Results on Nutrient Management Test Plots	3
Native Trees - Shrubs - Vines - Prairie Seed	3
Model Ordinance Ready for County Board	4
Waterways Program in Full Swing	4
Conservation Really Pays	4
River Life in Cold Weather	5
Where in the World is Ike Kumrow????	6
Teachers & Youth Educators...	7
Where In the County?	8

Spring 1998 - Vol. II Issue #4

<http://www.co.washington.wi.us/uploads/docs/lcd-news1998-4spring.pdf>

In This Issue:	Page(s)
Land Conservation Department	
Nutrient Management Saves Local Farmers	1-2
County Hires Civil Engineer	3
Natural Resources Conservation Service Update	3
Preserving the Land for Future Generations	4-5
Waterways Gears up for Spring	6-7
Land Development Impacts Waterways	8-9
Conservation Program Reminders	10
Bulletin Board	11
Where In the County?	12

Summer 1998 - Vol. II Issue #5

<http://www.co.washington.wi.us/uploads/docs/lcd-news1998-5summer.pdf>

In This Issue:	Page(s)
Land Conservation Department	
Creative Planning Key to Watershed Protection	1-2
Teachers... Take the Plunge	2
Local Landowners Deserve Better	3
Joe Schwai...A Man of Many Hats	4-5
Tree Program Hits Record Sales	5
1998 River Clean Up a Success	5
From Farm Fields to Fair Grounds	6
WCC Crew Moves On	6
Champions of the Environment	7
Where In the County?	8

Fall 1998 - Vol. II Issue #6

<http://www.co.washington.wi.us/uploads/docs/lcd-news1998-6fall.pdf>

In This Issue:	Page(s)
Land Conservation Department	
The Rebirth of Our Rivers: Steps We Can Take	1
Can Quas Creek Survive?	2-3
Local Landowners Deserve Better	3
Phoenix Academy Links Classroom and Community	4-5
Conservation Reserve Program Returns	6
Model Ordinance Moving Ahead	6
Tree Order Forms Available Soon	6
Clean Water One Step At A Time	7
Where In the County?	8

Winter 1999 - Vol. II Issue #7

<http://www.co.washington.wi.us/uploads/docs/lcd-news1999-7winter.pdf>

In This Issue:	Page(s)
Land Conservation Department	
Land Matters...OWLTL	1 & 3
Be a Volunteer Water Quality Monitor in Your Community	2
Lifeless Water in the Gulf Has Local Link	3
Planting Trees for the Future	4
Bulletin Board	5
Balance Needed in Pollution Regulations	6
Washington County Prepares New Park on Little Cedar Lake	7
Where In the County?	8

April 1999 - Special Edition

<http://www.co.washington.wi.us/uploads/docs/lcd-news1999-8specialedition.pdf>

In This Issue:	Page(s)
Land Conservation Department	
New Land & Water Management Planning Process	1-3
Our Land & Water Legacy	4
Land & Water Survey	5-8
Urban Conservation Practice Examples	9
Watersheds, Land Development & Livestock Farms	10
Local Trends	11
Where In the County?	12

Spring 1999 - Vol. II Issue #9

<http://www.co.washington.wi.us/uploads/docs/lcd-news1999-9spring.pdf>

In This Issue:	Page(s)
Land Conservation Department	
Waterways Program Gears Up For Spring	1
Soil Tests: The Road Map to a Good Fertilizer Program	2
Sebo Recognized as Outstanding Conservation Employee	3
County Conservationist Receives National Honors	3
National Conference Helps Local Farmer Stick with No-Till	4
Traveling Laptop Used for Erosion Survey	5
Washington Co Residents-Clean Sweep in Port Washington	5
Farmland Preservation Changes Need Review	6
Wildlife Damage Must Be Reported Early	7
