

The Cool Things We Do At Camp...

- Find out what it takes to be a DNR Conservation Warden
- Get an up-close look at reptiles and amphibians in the nature center
- Catch and identify aquatic critters and understand how water quality affects them
- Meet live animals from the Bay Beach Wildlife Sanctuary of Green Bay and the Raptor Education Group of Antigo
- Net some of Wisconsin's native fish and see firsthand how DNR biologists study them
- Sharpen your teambuilding and problem-solving skills on the challenge course
- Gain knowledge about water pollution by using a giant water runoff model demo
- Test your outdoor skills and compete with other cabins in a campfire building contest
- Play, fish, swim, hike, canoe, shoot a bow
- Make new friends, s'mores and pudgy pies at the evening campfire
- Show off your environmental knowledge during "Conservation Camp Jeopardy"

Camp is Great!

Sand Lake Conservation Camp provides positive educational outdoor experiences, fosters an appreciation for nature, and introduces a variety of careers in natural resources and conservation. Professionals from various natural resource and conservation agencies present programs on topics like wildlife, habitat, water quality, fisheries, forestry, orienteering, trapping, outdoor recreation safety, camping skills and canoeing. These professionals, as well as adult volunteers, serve as overnight staff and group leaders for the duration of camp.

Campers make new friends, participate in hands-on activities, practice social and leadership skills, enjoy the outdoors and just have fun!

Cool Camper Comments:

"Very fun...count on me being there next year!"

"I think this is the best camp I went to."

"This was my first time coming here...it was a blast!"

"I had lots of fun and made friends."

"The cook's food was awesome."
