

PAY REAL ESTATE TAXES BY PHONE

The Washington County Treasurer does not collect first installments for the current year. Payments made prior to February 1st are payable to your local municipality. Please check with your local treasurer to see whether they accept online payments.

In addition to internet service, Washington County taxpayers can also pay their real estate taxes via the telephone using an automated phone system using a credit or debit card. This payment service is provided by Point and Pay who will charge a convenience fee for this service. Washington County **does not** receive any portion of this fee.

The automated system will take you step-by-step through the payment process. If you prefer to make your payment using your touch-tone telephone, please call toll-free at **1-855-474-4082**.

Upon dialing the toll-free number, you will be asked to enter various information in order to make a payment such as:

- Enter the 4-digit tax year you are paying taxes for and press the “*” key
- Enter your Bill No. from your tax bill (located in upper right corner of the tax bill under your name and Parcel No.) followed by the “#” key.
- The automated system will ask you to confirm the information that was entered.
- Please listen carefully to your options and follow the phone prompts.
- Remain on the line to receive a confirmation number that you should keep for your records.
