

PAY REAL ESTATE TAXES ONLINE

The Washington County Treasurer **does not** collect first installments for the current year. Payments made prior to February 1st are payable to your local municipality. Please check with your local treasurer to see whether they accept credit card payments. Any payments received for the current tax year through January 31 will be returned as the local municipalities collect those taxes.

Washington County taxpayers are able to pay their **second installment** (postponed taxes after January 31st) or any **delinquent real estate taxes** online to the Washington County Treasurer via a credit card or electronic check.

Online payments are processed through Point & Pay LLC. Point & Pay charges a convenience fee of 2.39% of the credit card payment and \$1.50 for an electronic check. These fees are paid directly to Point & Pay and Washington County **does not** receive any portion of these fees.
