## Veterans Goodwill Weld Training Program

Veterans of Foreign Wars (VFW) Post 8637, and Advanced Welding Institute (AWI) have formed a partnership to enhance the employable skills of Veterans. This program will be offered at AWI Vermont and AWI Wisconsin locations. At no cost, each participant will have the opportunity to experience the welding trade for a potential career. The Veterans Goodwill Weld Training Program will consist of a two-day (consecutive) training program at AWI facilities, including one-night lodging at a local approved accommodations partner (see approved list), and a meal at the local VFW (when available). Each Veteran which would like to apply for this training must contact AWI, a minimum of two (2) weeks in advance of anticipated training time, to ensure availability of booth space and accommodations. Veterans accepted into this training program, must provide proof of being in good military standing.
